

Frequently Asked Questions

How much do classes cost?

If the skater you are registering does not have a one-year Sportsplex Membership, use the Standard rates—early, regular, or late. Of the two rates listed, the first one is for residents of Davidson County; the second one is for non-residents of Davidson County. If you are registering more than one skater in your immediate family or registering for more than one class each week, subtract 15% from your total registration fee. If the skater you are registering has a one-year Sportsplex membership, use the Sportspass rates (no family or multi-class discount applied).

How long is the series?

Typically, a series is seven weeks, one class per week (unless you register for more than one class per week).

I'm going to miss a class, how do I make it up?

No need to call ahead. Attend the same type of class at another time. Be sure to refer to the brochure to determine when your age group and level meets and the date of any cancellations.

My child is 5 years old, for which age group do I register?

Cub

My child is about to turn 6 years old, for which age group do I register?

Cub

Can I skate with my child after class during the 30-minute practice?

Only parents of skaters in the preschool age classes may skate with their children, if necessary, in a coned off area, only.
